

Leading Distributed Teams

Recommended for managers who run teams distributed geographically or teams working in a hybrid office/home structure.

WHAT IT'S ABOUT

Dealing with team members that are distributed geographically.
Using the principles of leadership and management to develop and engage team members.
Leveraging office time for teams working in a hybrid work model.
Building relationships with team members and among team members who are working remotely.

TRAINING AIMS

By the end of the course, the participants will be able to:

- adjust their leadership activities to the needs of the team;
- communicate effectively with remote team members;
- create a development plan both for themselves and their team members.
