

# mini-Effective Data Presentations

Recommended for everyone who presents data and who have taken PBP or mini PBP.

## WHAT IT'S ABOUT

Telling a compelling business story with data.  
Selecting data that supports your key message.  
Crafting an executive summary that builds your personal brand in the company and instills confidence in your competence among your colleagues, other employees, and leaders.

## TRAINING AIMS

By the end of the course, the participants will be able to:

- follow a clear structure for crafting an executive summary for any data presentation;
- formulate one key message for the presentation;
- select data to create slides that support the key message.
